

i30

i30 Hatchback

i30 Fastback
i30 Wagon

Innovative. Intelligent. Invigorating.

Introducing the new i30 – a blend of sophisticated design and advanced engineering. With a dynamic exterior, reliable safety features, seamless connectivity and three body styles to choose from, the i30 meets the needs of discerning drivers. The 48-V mild-hybrid options improve efficiency, delivering a smart and engaging driving experience. Enhance your journey with the new i30.

Refinement and comfort, redefined.

The design of the new Hyundai i30 is as unique inside as it is outside. The interior features eye-catching details and high-quality surfaces, complemented by new colours and seat cover options. Cutting-edge multimedia technology ensures every ride is enjoyable. Experience comfort and safety like never before.

10.25" touch-screen display
Sliding front armrest

The seats are available in cloth, leather or a combination of both

Drives as good as it looks.

No matter your preference – petrol, mild hybrid, manual or automatic – the i30 offers a powertrain that is both efficient and dynamic, tailored to you and your driving style.

Petrol 1.5 MPI **96** Maximum power PS/6,000 rpm **139.3** Maximum torque Nm/3,500 rpm

Petrol 1.5 T-GDi (48-V mild hybrid) 140 Maximum power PS/5,500 rpm 253 Maximum torque Nm/1,500-3,000 rpm

7-speed dual-clutch transmission

Experience lightning-fast gear changes with the dual-clutch system. Whether in automatic mode or manual, shifting gears is seamless and responsive.

6-speed manual gearbox

The manual transmission lets you operate the clutch and shift gears yourself for precise, smooth gear changes.

A dynamic new look.

Elevate your i30 experience with the sporty N Line trim. A new grille mesh, dark metal inserts in the fog lamp housings and new side skirts with dark metal inserts create an unmistakable look that has more road presence than ever before.

A bolder front supported by the V-shaped LED headlamp design

A dynamic rear bumper and black rear spoiler (Hatchback)
Exclusive wheels

The cockpit of the new i30 N Line invites you to drive dynamically with its exclusive extras, a grippy sports steering wheel and supportive metal pedals.

N Line sports seats

N Line paddle shifter
Red accent stitching

Technology with a human touch.

Style meets substance in an intelligent interior that's designed around you and your needs. A 4.2" or 10.25" digital cluster and a 10.25" centre touch screen give you an overview at a glance, while USB-C and wireless charging and calling mean you're always connected, even if you're not plugged in.

Hyundai SmartSense

Our cutting-edge Hyundai SmartSense Advanced Driver Assistance System is now fully integrated into the i30, providing you with more safety and peace of mind.

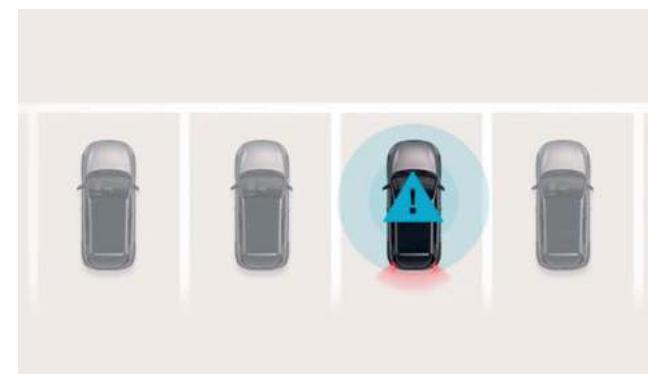

Navigation-based Smart Cruise Control-Curve (NSCC-C)

Uses the navigation system to help you drive at a safe speed on the highway. You can set the speed to the current highway limits. The curve function predicts upcoming curves on the road and adjusts speed.

Multi-Collision Braking (MCB)

MCB helps to prevent passengers from secondary collisions after an initial impact. It works by automatically applying the brakes after vehicle airbags are deployed.

Rear Occupant Alert (ROA)

This system detects if a rear door was opened or closed before the car was started, then reminds the driver to check the rear seat with a message on the centre cluster when exiting the vehicle.

10 Advanced Driver Assistance System (ADAS) is designed to provide assistance with the operation of a vehicle, drivers must drive with caution at all times. Functions may not operate depending on the surroundings and driving conditions. Refer to the instruction manual for details. Actual specifications may vary depending on the trim, powertrain and specifications selected.

Colour options and wheels.

Comfort - Cloth Grey

Premium - Cloth Black

N Line - Leather/textile Suede

Abyss Black (Pearl)
(A2B)
