

# KONA

# Move with the vibe

With KONA, the diverse values we seek will become manifest in a life filled with new challenge and experiences to come.

[More details](#)

# Upscaled and more dynamic

KONA's futuristic design, aerodynamic profile, and sporty details create an energetic impression, completed by a dynamic connecting line.

More details

## Exterior

The clean nose of KONA emphasizes its pure volume and boosts aerodynamic performance, with the dynamic character line adding contrast to its parametric surface.

Front seamless horizon lamp, front bumper

Full LED headlamps (projection type)

Dual tone roof, sharp connecting chrome line

Spoiler Integrated HMSL, rear seamless horizon lamp  
LED brake lamps, LED turn signal lamps

More details

# Roomier and Versatile Space

Experience a comfortable and relaxing atmosphere in the spacious interior of KONA, enhanced by seamlessly integrated high-tech elements into its slim and wide horizontal layout.

# Interior

KONA's interior is practical and spacious, with a focus on the comfort of rear passengers and ample luggage space to cater to different lifestyles.

2nd row space

2nd-row seatback 2-step latch

Open console storage  
(removable bulkhead / rotational cup holders)

6:4 folding 2nd row seat backs

# Convenience

The panoramic display - 12.3-inch integrated dual screen display and cutting-edge driver assistance technology offer high-tech convenience and increase user satisfaction in daily use.

Panoramic display - 12.3-inch integrated dual screen display

Column-Type Shift by Wire (SBW)

1st-row relaxation comfort seat

Smart power tailgate - Hands-free smart liftgate with auto-open and adjustable height setting

# Performance

Experience a smooth and stable driving performance with KONA, ensuring a comfortable ride.

## Smartstream Gasoline 1.0 T-GDi Engine

120 Maximum Power  
PS/6,000 rpm

172 Maximum Torque Manual  
1,500~4,000 rpm

200 Maximum Torque Automatic  
2,000~3,500 rpm

## Smartstream Gasoline 1.6 T-GDi Engine

198 Maximum Power  
PS/6,000 rpm

265 Maximum Torque  
1,600~4,500 rpm

### 3rd generation platform

The 3rd generation platform offers enhanced crash safety and performance of the suspension, and maximized space efficiency.

### HTRAC

KONA's electronic AWD provides optimal driving performance through actively distributing driving force to the front and rear wheels according to various driving situations.

### Drive mode / Terrain mode

Choose from a range of drive modes based on your preferences or road conditions. The engine and braking are optimized for peak driving performance depending on the selected mode and road conditions.

### Enhanced road noise reduction

Floor-carpet-under-pads reduces the inflow of external noise, and the rear wheel member bushing minimizes inflow of road vibration.

# Safety

KONA's advanced technologies simplify daily driving and parking, offering safer and smarter solutions.

## Blind-Spot View Monitor (BVM)

Blind-Spot View Monitor (BVM) displays the rear-side image of the corresponding direction when the turn signal switch is operated.

## Surround View Monitor (SVM)

Surround View Monitor (SVM) displays images of the situation around the vehicle in various views for safe parking.

# Hybrid

The e-Motion Drive system improves driving performance in Hybrid mode, delivering a smooth ride with reduced vibration and improved stability.

More details

## Smartstream Gasoline 1.6 GDi Hybrid Engine

105 Maximum Power  
PS/5,700 rpm

14.7 Maximum Torque  
kgf-m/4,000 rpm

## Electric motor

32 Maximum Power  
kW/1,798 ~ 2,500 rpm

170 Maximum Torque  
Nm/1,798 rpm

### Multi-link rear suspension

The suspension delivers a comfortable ride during daily driving and provides stability during sporty, high-speed driving and cornering through improved traction, shock dispersion, and minimized vibration.

### Hybrid exclusive features

Hybrid exclusive features including vehicle driving and fuel economy information, energy flow charts, and the ECO driving mode offer a pleasant and smart experience.

### Active air flaps

The upper and lower active air flaps of the radiator grille reduce unnecessary air inflow to minimize air resistance and improve fuel economy.

**e-Motion Drive**

KONA Hybrid's e-Motion Drive uses the drive motor to effectively control braking, shifting, and torque during sharp cornering to deliver uninterrupted acceleration and cornering stability.

# N Line

The N Line exudes boldness and dynamism, featuring a high-performance exterior design inspired by the renowned high-performance N.

N Line-exclusive front bumper & bumper skirt

N Line-exclusive 19-Inch alloy wheels / Body-colored cladding

N Line-exclusive single twin tip muffler

N Line-exclusive authentic leather / Alcantara combination seats

# Hyundai SmartSense

## Forward Collision-Avoidance Assist 1.5 (FCA 1.5)

Forward Collision-Avoidance Assist 1.5 (FCA 1.5) monitors your surroundings and warns you if there is a risk of collision. After the warning, if the risk of collision increases with the target (e.g. a leading vehicle which suddenly slows down, a vehicle, a pedestrian or a cyclist in the front), it automatically assists with emergency braking. If the risk of collision with an oncoming vehicle increases while turning left at an intersection or if the risk of collision with an oncoming vehicle increases while driving in the lane, it automatically assists with emergency braking.

## Lane Keeping Assist (LKA)

Lane Keeping Assist (LKA) provides a warning if the driver leaves the current lane without using a turn signal while driving above a certain speed limit. And it automatically assists in steering the vehicle to prevent a lane departure before leaving the current driving lane.

## Smart Cruise Control (SCC)

Smart Cruise Control (SCC) helps maintain distance from the front vehicle and drive at a speed set by the driver. Automatically stops when the front vehicle stops and automatically starts when the front vehicle departs within a short time.

## Lane Following Assist (LFA)

Lane Following Assist (LFA) helps center the vehicle in the lane.

More details

#### **Blind-Spot Collision-Avoidance Assist (BCA)**

Blind-Spot Collision-Avoidance Assist (BCA) warns you if there is a risk of collision with a rear side vehicle in the blind-spot while changing lanes. When forward exiting a parallel-parking spot, if there is a risk of collision with a vehicle approaching from behind, it automatically assists with emergency braking.

#### **Forward / Side / Reverse Parking Distance Warning (PDW)**

Forward/Side/Reverse Parking Distance Warning (PDW) warns against collisions with objects around the vehicle at low speeds.

#### **Remote Smart Parking Assist (RSPA)**

Remote Smart Parking Assist (RSPA) helps remotely park or exit a parking spot. It automatically assists with steering, accelerating, decelerating, and shifting using the vehicle's sensors. It automatically assists with braking when an object is detected in the vehicle's path. The driver can perform "Remote Operation" using the smart key when the driver is outside the vehicle.

# Features

LED Headlamps (MFR)

Safety power window

Cluster display (4-inch color LCD)

Heated steering wheel

Outside mirror (Heated / Folding / Turn signal indicator LED)

Sun roof

6 speed DCT

Powered driver seat

LED turn signal indicators (front/rear)

Full auto air conditioning system

Heated & Ventilated front seats

Heated rear seats

Roof rack

Paddle shifters

Bose premium audio system

USB-C Data/Charging ports/Wireless charging pad
